PROFESSIONAL SUMMARY

Highly motivated Full-Stack developer trainee with a strong foundation in Java, Spring Boot, Hibernate, SQL, and modern front-end technologies including React.js, HTML, CSS, and JavaScript. Experienced in building RESTful APIs, and database-driven web applications using tools like Eclipse, VS Code, Git, and MySQL Workbench. Developed projects such as a Student Management System and a full-stack food delivery platform, demonstrating skills in DOM manipulation, state management, and mobile-first design, with hands-on exposure to JDBC, Servlets from training and internships.

EDUCATION

Bachelor of Technology in Electronics and Communication Engineering
G Pulla Reddy Engineering College, Kurnool - CGPA: 6.84/10 2021-2025

Pre University (12th Standard)
Sri Chaitanya Junior College, Vijayawada - GPA: 9.16/10 2019-2021

Technical Skills

Languages: Java, SQL
Frontend Technologies: HTML, CSS, JavaScript
Backend Technologies: JDBC, Servlets
Database: MySQL
Frameworks: Spring Boot, Hibernate(Basic)
Tools: Eclipse IDE, GitHub, MySQL Workbench, Apache Tomcat, VS Code

PROJECTS

1. Food Delivery Application | Java Full Stack

- Developed a full-stack food delivery web application using Java, JSP, Servlets, and MySQL.
- Implemented features such as user authentication, restaurant listing, menu browsing, cart management, and order placement.
- Applied MVC architecture for clean separation of business logic, presentation, and data layers.
- Integrated MySQL database using JDBC/Hibernate and managed user sessions using Http Session.
- Deployed and tested the application on Apache Tomcat server.

2. Student Management System | HTML & CSS

- Designed and developed a static Student Management System interface using HTML and CSS.
- Created responsive web pages for student registration, student list display, and profile view.
- Focused on clean UI design, form validation layout, and user-friendly navigation.
- Applied modern CSS techniques such as Flexbox and Grid for responsive layouts.
- Improved usability and accessibility through structured markup and consistent styling.
